

AIA Engineering Limited

Mono Cast

Vertical Spindle Mills - Grinding Elements

SUPERIOR PERFORMANCE THROUGH INNOVATIVE TECHNOLOGY

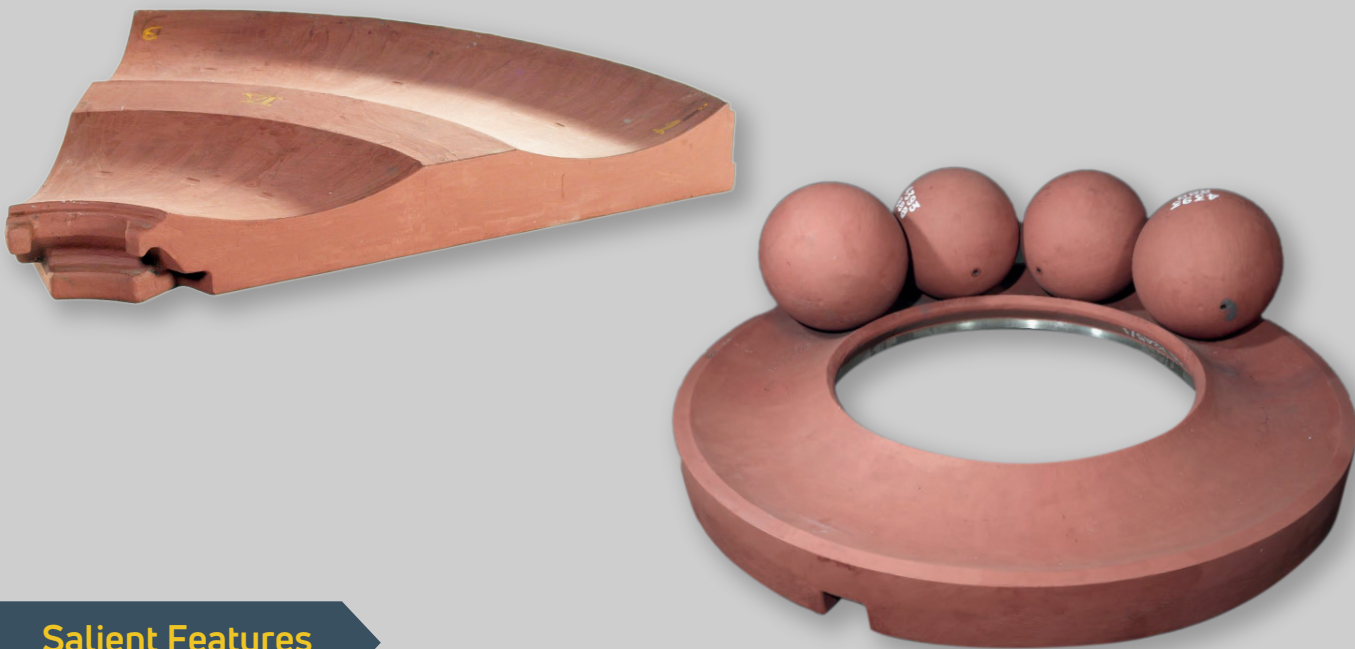

AIA Engineering Limited

Mono Cast

Vertical Spindle Mills - Grinding Elements

Vega Industries is globally the largest manufacturer of high quality wear resistant parts. ISO 9001:2015 certified.

Salient Features

- Customized alloy selection
- Suitable for range of applications like coal, raw material, slag, clinker grinding etc.
- OEMs approved quality casting
- Made to fit as correct tolerances and proper quality norms are followed

Alloys

Monometal Rolls and Table Liners

Grade	%C	%Cr	Hardness
Vegaline V08	2.5 - 3.5	7-10	58 - 62 Rc
Vegaline V16	2.8 - 3.4	15 - 17	62 - 66 Rc
Vegaline V20	2.5 - 3.5	18 - 22	60 - 64 Rc
