Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - update related to on-going investigation by Canada Border Services Agency (CBSA)

Ref.: Our earlier intimation dated 18th December, 2020

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulation 2015 and in continuation of our earlier intimation dated 18th December, 2020, wherein we had informed that The Canada Border Service Agency (CBSA) had initiated investigations with respect to alleged dumping and subsidizing of certain grinding media from India based on complaint filed by Magotteaux Limitee, located in Magog Quebec.

CBSA is carrying out its review of submissions made by us and the final determination on the matter is expected by July, 2021. As per rules and regulations applicable to such matters, there is a provision to apply interim duty. In accordance with the same, CBSA has imposed interim duty of 32.2% duty on certain grades of grinding media exported from India into Canada with effect from 01.05.2021. This duty will be applicable till the final determination is done which as explained above is expected to be concluded by July 2021.

The information is issued to the members of the Stock Exchanges and in the interest of the public at large.

Thanking you.

Yours faithfully,
For AIA Engineering Limited
